

Very Good Cause, Inc: Consolidated Financial Statements

1 Overview

Everything looks good.

2 Conclusion

In my 40-year career as an accountant and auditor, I have never seen a more detailed and thorough set of books. These people are so responsible that it would almost be an insult to them for me to include a line-by-line analysis. Trust me when I tell you that every penny is accounted for.

Sincerely,

M. Bezel, Auditor
